

From the Principal's Desk

Hello, Painted Rock Families,

It is hard to believe that it is already November. Last month was a very busy and productive month. Thank you to all of our parents and guardians for attending parent-teacher conferences. Parent-teacher conferences play an important role in the education of our students, and it was fantastic to see all of you working with our wonderful staff for the betterment of our students.

Here at Painted Rock Academy, we are very fortunate to have such a wonderful group of dedicated parents. The Painted Rock Organization of Parents (PROP) provided our staff with a delicious lunch and breakfast during conferences as well as put on our Scholastic Book Fair and the Fall Festival last week. PROP does so much to help support our students, staff, and school community, and I wanted to thank everyone involved in these events. Painted Rock is a better place because of your time, effort, and dedication.

We just wrapped up our Sock-Toe-Ber drive and collected over 2,700 pairs of socks. Thank you to everyone for your donation of socks to a great cause. Many in our community will benefit from your generosity.

I am excited to share that we have hired a new Physical Education teacher, Coach Lifsey. He comes to us with a lot of teaching experience and is very enthusiastic about joining the Painted Rock Academy team and working with students.

Sincerely,

Mr. Hoffman, Principal

Honorable Hawk

These first grade students have been recognized for their exceptional character during the month of October. Ms. Jackson, Mrs. Kamble, and Mrs. Shinde have nominated these students for modeling great citizenship by being honest, hardworking and helpful.

Great work, Sophie, Berett, and Maja!

Meet Our New Teacher!

My name is Mr. Lifsey, but you can call me Coach J. I am the new PE teacher here at Painted Rock Academy. I am very excited to be here, and I look forward to meeting all parents and students!

I grew up here in the Valley. I spent four years in the Navy. Later, I taught English for over ten years in China and Vietnam. I love sports/exercise and I hope I can pass on this passion to the students. I also enjoy hiking, camping, and other outdoor activities.

I look forward to meeting you and seeing all students grow stronger and healthier this year. Let's go, Hawks!

Congratulations! The Volleyball team made the playoffs this year!

Mrs. Neaville has been a part of the PRA Team since 2013. She helped open our preschool program and has coached volleyball since 2014. In those eight years, Coach Neaville has won one championship and two second place trophies.

We will cherish these memories as Coach Neaville is planning to spend more time with her family. Thank you Coach Neaville for your time with us!

Tournaments start November 14th.

Watch for more details to be announced.
