

We are happy to announce that PROP has been approved for 501 (c) (3) status by the U.S. Government. This means that our organization is now recognized by the IRS as being a tax-exempt, charitable group. This is a major accomplishment for our organization because it means PROP now has the ability to accept contributions and donations that are tax-deductible to the donor. PROP will be able to apply for grants and other public and private allocations to benefit Painted Rock Academy. If you are interested in helping PROP solicit businesses for donations for Spring Fling and other PRA events and programs or help with grant applications, please contact Alison Coviello at alicoviello@yahoo.com. A solicitation team is now being formed. Please note: This task can be done from home via mail and internet and not necessarily door to door.

Volunteer Opportunity

PROP needs a person or team who can run the monthly Spirit Day PROPsicle program. For more information, please contact PROPvolunteer@gmail.com

ClothingCycle Clothing & Textile Drive

Start the New Year with a clean house! Go through your closets and get rid of all that unwanted clothing, towels, bedding, shoes, belts, purses, backpacks, and just about anything else made out of cloth. Bring your bagged items to school January 20th – January 29th to help PROP raise money for our school. ClothingCycle is a company that takes our donations, weighs them, and pays PROP by the pound. ClothingCycle then takes the items and resells them as reusable second hand clothing, rags for commercial or industrial use, or recycled into insulation, carpet padding, etc. Ask your neighbors and extended family for donations too! The company also offers a prize for the student who donates the most weight! Details on this event to follow.

Please join us at the upcoming PROP meeting:

December 4th @ 6:30 in the PROP/Parent Rm.

Please enter through the back gate by the playground and look for the signs.
